

# Lifelong Learning Committee: Next steps

*Mary L. Nucci, Rutgers University  
September 23, 2009*

**Lifelong Learning**

# Data gathering

- Partnerships
  - Outreach to other groups (eg, ASTC, CAISE, other film groups, agencies etc.)
- Baseline data
  - Search out existing data, organize and optimize/communicate access to the industry
- Research format
  - Standardize research methodology
- Statistics (global)
  - Audience demographics (student/public percentages)

# Research

- Film analysis
  - Best/timeless films for learning
  - Use of libraries for best practices
  - Linkages to curriculum
- Evaluation data
  - Use of evaluation data
  - Case studies of progressive practice that inform the industry
- Teacher/content guides
  - Use and value of guides

# Research

- Business practices
  - Research on reorganizing business practices to increase learning/maximize educational impact to contribute to how films are made
- Format
  - What can we learn from/learning in 2d and 3d to inform film-making practices
